Lt. Colonel C. Craig Cannon, ADC  
SHAPE Advance Planning Group  
APO No. 55  
New York, N. Y.

Dear Craig:

Thanks very much for passing on the  
information on [redacted]  
[redacted] I will start the ball rolling on this  
right away and, if possible, will arrange to have  
one of our field procurement people contact him  
personally in Florida, rather than send him the  
lengthy and formidable-appearing application blanks  
which generally serve to discourage all but the  
most determined applicants. When some decision  
has been made in his case, I will contact you  
again so that you can keep General Snyder advised.

Please give my best to Bob and Bette  
Schultz and to Colonel Bob Schow. Thanks again  
to you and General Snyder for your interest in  
the Agency, and with warmest personal regards,

Sincerely,

[redacted]

Assistant to the Director
